

Product Data Sheet

AP 100/50 M

All-purpose touchless cleaning machine.

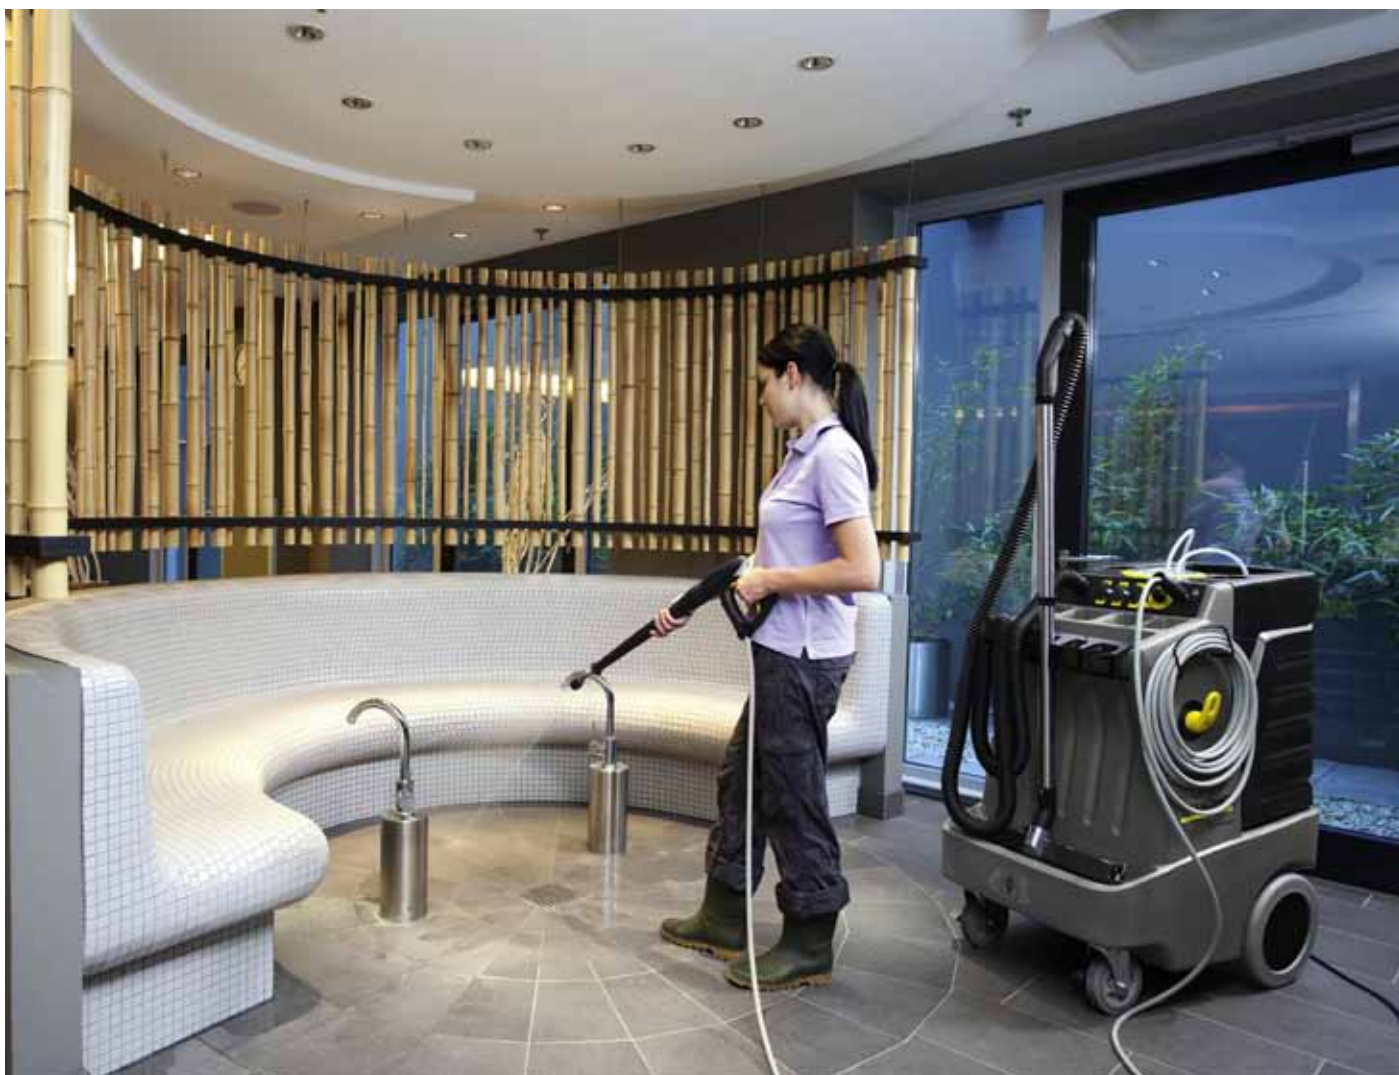

The AP 100/50 M makes regular cleaning of sanitary areas fast, thorough and safe. With a high and low pressure spray lance and wet & dry vacuum cleaner attachment, the AP 100/50 is ideal for regular cleaning of washrooms, changing areas, toilets, kitchens and other sanitary areas, saving time and increasing safety compared to conventional cleaning methods.

Features and Benefits:

- 100 litre water and waste water tank
- Switch-chem system enables easy change from one detergent to another instantly, e.g. alkaline to acid
- Switch-chem system enables detergent to be accurately dosed at the trigger gun
- Proven Easy Press trigger gun for fatigue-free operation
- Extra long 10m vacuum hose with professional floor tool
- 20 bar high pressure cleaner with low pressure setting for foaming
- Simple controls for easy operation
- Large rear wheels and front casters for easy movement
- Range of accessories available to suit different cleaning tasks
